Beneath the stunning Victorian architecture of the Grand Arcade, we welcome you to this bastion of taste and live games.

Born from the single desire to do it better, we have lived and shared with you over a decade of decadence through the greatest medium of them all, live sport.

From domination to devastation, underdogs to overachievers, heroes to zeroes and back to heroes again - ours is the world of contrasting fortune and raw emotion. Of the most incredible highs and insufferable lows. It is the one that produces memories, feelings and bonds that truly stand the test of time.

Here we celebrate the names that did it right. The heritage and tradition of the greatest tournaments, stadia, tracks and courses. Spectacular victories, glorious defeats, and sometimes even a scrappy draw away from home.

But most of all we celebrate the good sports. Those who play and watch the game with integrity, humility and respect, regardless of the odds or outcome.

This bar is for them.
