Beneath the stunning Victorian architecture of the Grand Arcade, we welcome you to this bastion of taste and live games.

Born from the single desire to do it better, we have lived and shared with you over a decade of decadence through the greatest medium of them all, live sport.

From domination to devastation, underdogs to overachievers, heroes to zeroes and back to heroes again - ours is the world of contrasting fortune and raw emotion. Of the most incredible highs and insufferable lows. It is the one that produces memories, feelings and bonds that truly stand the test of time.

Here we celebrate the names that did it right. The heritage and tradition of the greatest tournaments, stadia, tracks and courses. Spectacular victories, glorious defeats, and sometimes even a scrappy draw away from home.

But most of all we celebrate the good sports. Those who play and watch the game with integrity, humility and respect, regardless of the odds or outcome.

This bar is for them.

AFFILIATED TEAMS

This season, we are proud to be sponsoring the Manchester Titans American football team.

The Manchester Titans are one of the UK's top American football clubs, based in Gorton, Manchester, and competing in the BAFA Premier Division North. Founded in 2003, they've won multiple division titles and back-to-back Britbowl championships in 2022 and 2023, becoming the first non-London team to do so. Known for their strong development system, the Titans field teams across all age groups and formats, including women's and youth teams, and in 2024, they became the first English team to compete in the Central European Football League (CEFL).
